I did have the thought that the promo songs in the description tended to highlight all of the songs that were familiar to me when most of the songs in the book were ones I'd never heard of before. However, although I've just been a frequent bluegrass listener over the years and am now voraciously learning every song I hear since learning guitar so I think the book was more than worth the money. I've used this brand of fake book in the past for piano and found the quality to be very good.4 of 4 people found the following review helpful. Great book for bluegrass music!By dhbaileyThis is a great addition to the Bluegrass Fakebook -- between the two books there is some crossover in the tunes that are included but not very much so between the two books you end up with a nice large library of bluegrass songs. This book is laid out just like all the other Hal Leonard

"Real Books," using the same "handwritten" music font and printed so that there are no page turns in the middle of songs. And it comes comb-bound so you can start using it right away and have it lay flat on your music stand. 0 of 0 people found the following review helpful. Simply written and easy to read
By Margaret Hoagland
This book has about 75% of the bluegrass songs I need. Simply written and easy to read. I would highly recommend this fake book if you are into bluegrass, especially if you are a beginner and trying to learn common songs for jams.

(Fake Book). This collection gathers more than 300 bluegrass favorites presented in the straightforward Real Book format favored by musicians including lyrics where applicable: Alabama Jubilee * Ballad of Jed Clampett * Bill Cheatham * Blue Ridge Mountain Blues * Bury Me Beneath the Willow * Dixie Hoedown * Down to the River to Pray * Foggy Mountain Top * Highway 40 Blues * How Mountain Girls Can Love * I'm Goin' Back to Old Kentucky * John Henry * Keep on the Sunny Side * The Long Black Veil * My Rose of Old Kentucky * Old Train * Pretty Polly * Rocky Top * Sally Goodin * Shady Grove * Wabash Cannonball * Wayfaring Stranger * Wildwood Flower * The Wreck of the Old '97 * and hundreds more!

About the Author
Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.
