Hal Leonard Corporation : The Real Book - Volume I: C Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Real Book - Volume I: C Edition:

1 of 1 people found the following review helpful. Wanna play jazz? Buy this book By Jake A classic collection of tunes, really opened my eyes to some of the ins and outs of standard jazz composition! 4 of 5 people found the following review helpful. Invaluable resource By Wm. Great tunes, great format, but just doesn't have as good a song selection as the bootleg version. No "Stardust," no "Night and Day," no "One More for my Baby (and One More for the Road)," etc., etc., etc. On the other hand, songwriters should be compensated fairly for their work, and there are still a ton of great, invaluable tunes here, set up to minimize page-turning mid-song and presented in a clean, clear, unfussy format. If you like jazz, you should have this. 0 of 0 people found the following review helpful. great reference By Plumhunter Appears to have all the standards. Use it for my jazz facebook group.

(Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these

volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed, without any regard to copyright law, or royalties paid to the composers who created these musical masterpieces. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference, other than that all of the notorious errors have been fixed: the covers and typeface look the same, the song list is nearly identical, and the price for our edition is even cheaper than the original! Every conscientious musician will appreciate that these books are now produced accurately and ethically, benefitting the songwriters that we owe for some of the greatest tunes of all time! Includes melody, lyrics, and chords for 400 songs: All Blues * Au Privave * Autumn Leaves * Black Orpheus * Bluesette * Body and Soul * Bright Size Life * Con Alma * Dolphin Dance * Don't Get Around Much Anymore * Easy Living * Epistrophy * Falling in Love with Love * Footprints * Four on Six * Giant Steps * Have You Met Miss Jones? * How High the Moon * I'll Remember April * Impressions * Lullaby of Birdland * Misty * My Funny Valentine * Oleo * Red Clay * Satin Doll * Sidewinder * Stella by Starlight * Take Five * There Is No Greater Love * Wave * and hundreds more!
