Hal Leonard : The Real Book - Volume I: Eb Edition (Real Books (Hal Leonard)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Real Book - Volume I: Eb Edition (Real Books (Hal Leonard)):

0 of 0 people found the following review helpful. A great fake book. By Melvin H. Chapman Like most of the songs and there are many of them. I doubt if anybody would like every song. 0 of 0 people found the following review helpful. Excellent selections, dark print. By Sandra Pearse Excellent selections, dark print, but binding (comb back) makes things difficult for photocopying pieces for performance (book is just too large for working musicians to use as a hands-on resource). A heavy-duty spiral binding would be preferred. 0 of 0 people found the following review helpful. I'm in love. By Shyane Carter I love this book it's my jazz bible. I originally bought it for college auditions, but fell in love with it the moment I saw the actual book, it's so thick and full of music. If you love jazz this is a must buy!

(Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed, without any regard to copyright law, or royalties paid to the composers who created these musical masterpieces. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference, other than all the notorious errors being fixed: the covers and typeface look the same, the song list is nearly identical, and the price for our edition is even cheaper than the original! Every conscientious musician will appreciate that these books are now produced accurately and ethically, benefitting the songwriters that we owe for some of the greatest tunes of all time! Includes 400 songs: All Blues * Au Privave * Autumn Leaves * Black Orpheus * Bluesette * Body and Soul * Bright Size Life * Con Alma * Dolphin Dance * Don't Get Around Much Anymore * Easy Living * Epistrophy * Falling in Love with Love * Footprints * Four on Six * Giant Steps * Have You Met Miss Jones? * How High the Moon * I'll Remember April * Impressions * Lullaby of Birdland * Misty * My Funny Valentine * Oleo * Red Clay * Satin Doll * Sidewinder * Stella by Starlight * Take Five * There Is No Greater Love * Wave * and hundreds more!

About the AuthorFounded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.
