**Hal Leonard Corp. : The Real Book - Volume V: C Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Real Book - Volume V: C Edition:

0 of 0 people found the following review helpful. It's no volume IV, but it's volume VBy David JonNot my favorite in the "Real Book" series, but still a worthwhile addition. I have this version on my Kindle, so I can use any of my tablets on the keyboard to play from.1 of 1 people found the following review helpful. Another Gem!By Fine KnotsI play these tunes on the piano and this volume is filled with some great numbers! I've not been disappointed with any of these collections yet. I have all 5 volumes. I like playing from them because it allows plenty of room for the musician to improvise.0 of 0 people found the following review helpful. SuperbBy Frank PThis and the other 4 volumes (I bought them all) add up to an absolutely superb collection of popular standards. So far I have found all I tried.

(Fake Book). Since the 1970s, The Real Book has been the most popular book for gigging jazz musicians. Hal
