Hal Leonard : The Real Christmas Book: C Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Real Christmas Book: C Edition:

1 of 1 people found the following review helpful. like all the Real BooksBy The IdeatorI was hired to do 3 hours of Christmas music with my jazz band. Myself and the keyboard player each bought this to make sourcing music easier. It has some decent arrangements, but I gave it only 3 stars because the songs are not in alphabetical order. We spend a lot of time flipping around the book trying to find songs that aren't in a logical order. As a result, I had to spend a lot of time copying the songs and putting them in order in a binder. That was something I wanted to avoid as keeping sheet music organized is a full time job when you gig as much as I do in different musical situations. Also, like all the Real Books, the cover is likely to rip away from the spiral binding. They need to make the covers out of a really strong plastic so they don't rip off. I have about 5 real books and they can't handle the demands of a gigging musician who has to carry around a lot of books. That's why most people are moving to Tablet or iPad based versions of Real Books, or iRealB.3 of 3 people found the following review helpful. Love the bookBy Thomas A. KispertLove the book!!!It

was delivered without delay and I've had nothing but enjoyment playing the Christmas classics I love the most. This book in my opinion is a classic and a must have for any piano player of any age or experience level who enjoys the sounds of Christmas. I've been playing since I'm 21; I'm now 52 and will continue for years to practice using this book! Thanks .0 of 0 people found the following review helpful. All I want for Christmas... By Tech Geek
Reviews Now I'm ready for Christmas! All the great classics you know and love! Check your list twice and get ready to rock around the Christmas tree! 5 stars

(Fake Book). The Christmas collection that all jazz cats will want in their stocking! This unique fake book features 150 custom arrangements of carols and contemporary holiday songs featuring sophisticated jazz chord changes in the popular, user-friendly Real Book format. Players will enjoy putting the cool back into these Christmas classics: All I Want for Christmas Is You * Auld Lang Syne * Baby, It's Cold Outside * Blue Christmas * The Chipmunk Song * Christmas Time Is Here * Dance of the Sugar Plum Fairy * Happy Holiday * Here Comes Santa Claus * I Heard the Bells on Christmas Day * I've Got My Love to Keep Me Warm * It Must Have Been the Mistletoe * It's Christmas in New York * Joy to the World * What Child Is This? * Last Christmas * Let It Snow! Let It Snow! Let It Snow! * Mister Santa * Santa Baby * Santa Claus Is Comin' to Town * Silver and Gold * Silver Bells * Somewhere in My Memory * What Are You Doing New Year's Eve? * You're All I Want for Christmas * and more.
