MolThis book is the best source of contemporary music for church use I have found - limited by its publishing date. I was looking for something we could use if we ever add a contemporary worship in our church. This is it. While is doesn't have every new song out there, it has, in my opinion, most of them that a band would want to lead and people would like to sing. The only drawback, which is entirely acceptable for keeping the size of the book down, is that it is a simple arrangement. If you want to sing it like the band on the radio, you will need to repeat some sections. But if you are introducing contemporary music to a church and want a simpler version of the popular songs this might be the way to start.0 of 0 people found the following review helpful. Two StarsBy FusongsChords too simple. No up to date songs0 of 0 people found the following review helpful. Worship music in real book format !By dluxContemporary Christian in a format I'm used to.

(Fake Book). Since the 1970s, The Real Book has been the most popular book for gigging jazz musicians. Hal Leonard is proud to publish completely legal and legitimate editions of the original volumes, as well as many exciting new editions to carry on the tradition to new generations of players in all styles of music! All the Real Books feature: hundreds of time-tested songs in extremely accurate arrangements; the famous large, easy-to-read, hand-written notation; general tempo indications to assist with set selection; songs indexed alphabetically, by key, and by tempo. 200 outstanding worship songs for worship leaders or anyone who loves Christian music: Awesome God * Beautiful One * Days of Elijah Forever * Hosanna * In Christ Alone * More Precious Than Silver * None but Jesus * Revelation Song * Shine, Jesus, Shine * There I a Redeemer * We Fall Down * You Are My King (Amazing Love) * and more.
