One of my most favorite piano books.By Ronald J. PolicastroEvery popular Richard Rodgers song that one has ever heard is included in this book. Great arrangements for the intermediateplayer. Truly enjoy "The Carousel Waltz" which is very rarely found anywhere is included.2 of 3 people found the following review helpful. Great Music from the MusicalsBy Ronald K. RidleyMy life and I are fans for Rodgers and Hammerstein music. I had studied their music as a teenager with voice and piano lesson from Grace Ziggler. We had also seen the movies and Music Circus in Sacramento with stage performances. I romanced by wife by singing her the sounds on an upright Baldwin piano. I will put up on You Tube a

performance of Some Enchanted Evening from this book and using our new Roland F-120 Digital Grand Piano. I would have attached to this review but did not see where you could attached it.
