included. By C L Wheeler I would purchase this songbook again and it is a good authentic tab book but I was disappointed that two of the songs on the original album weren't included in the book due to copyright reasons and both of those songs were Chuck Berry songs and my reason for buying the album and book was to learn to play Chuck Berry rock-n-roll the way Keith plays it. 0 of 0 people found the following review helpful. Stones Ya-Ya Yeah ! By George Classic, sweet,, note for note 0 of 0 people found the following review helpful. Four Stars By D Jordan Good tab, uncovered some loose ends
