**Moses Maravou : The Royal Guardian** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Royal Guardian:

A love story between a soldier and a princess that changed the world. A romantic tale that proves that love transcends all things. Two worlds collide in this epic tale of romance.

About the Author Moses Maravou is from the Fiji Islands in the Pacific. He is married with 3 daughters and a son. He has a Bachelor of Arts degree from the University of the South Pacific. He is an Estate Officer by profession. He is also an aspiring writer and novelist.
