Gillian Jennings : The Second Catherine De Barnes Collection of Scottish Country Dances before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Second Catherine De Barnes Collection of Scottish Country Dances:

A selection of dances devised for members of the Birmingham RSCDS Teaching Certificate Class 2008-9. The second collection of dances is dedicated to the group who studied for the first part of their certificate with me. Thanks for their hard work, sense of humour and patience. Each person chose the title and one of their favourite figures to be included in the dance.
