Patsy West : The Seminole and Miccosukee Tribes of Southern Florida (Images of America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Seminole and Miccosukee Tribes of Southern Florida (Images of America):

1 of 1 people found the following review helpful. Seminoles Rock!By Amelia FargoAn amazing story.5 of 6 people found the following review helpful. Excellent photo resource on the SeminolesBy Michael R. BrownThis book is a collection of photo postcards and photographs from the Seminole Tribe's picture archives. All include captions that identify the individuals in the pictures (including their clans) and explain the photo. Some are taken from photo postcards, others from photos taken by people over the years (source of photo is also given, include a date).An excellent resource. Only 'problem' is all the photos are in black and white.3 of 3 people found the following review helpful. fascinating visual historyBy A Book ReaderThis book was just what I expected. It provides a rich visual

history of the South Florida Indian tribes.

The history of the Seminole and Miccosukee tribes dates back to the 1500s, when most of Florida as well as much of the United States was uninhabited. During the early 19th century, the tribes moved into the South Florida interior, living on remote tree islands throughout the Everglades and Big Cypress Swamp. These self-reliant people kept mostly to themselves. Their struggles have included disease, poverty, relocation, and three wars with the U.S. Army. Nevertheless, these resilient tribes survived and have become a vital part of the country's history and a unique and highly popular feature of South Florida tourism. Today, these tribes are busy creating economic opportunity for members, preserving their heritage and culture, and protecting their homeland. The powerful and engaging story of these remarkable people is brought to life in *Images of America: Seminole and Miccosukee Tribes of Southern Florida*. Captivating images from the Seminole / Miccosukee Photographic Archive highlight and preserve their story for future generations. Readers will appreciate this up-close and personal look at their way of life. The descendants of famed Native Americans such as Osceola, Jumper, Micanopy, and Sam Jones are seen in this distinct photo perspective working, resting, playing, and celebrating their customs.
