From Continuum : *Volpone: A critical guide (Continuum Renaissance Drama Guides)* before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Volpone: A critical guide (Continuum Renaissance Drama Guides)*:

0 of 1 people found the following review helpful. Four StarsBy Robert D. FoxAOK

A comprehensive introduction to Ben Jonson's *Volpone* - introducing its critical history, performance history, current critical landscape and new directions in research on the play.

'Volpone: A Critical Guide offers the most wide-ranging and thought-provoking overview of Jonson's comedy ever assembled. It considers the play both as a literary text and as a performance piece, covering its history on the stage and in critical commentary, and so illuminating the current state of scholarship on this most provocative and ambiguous of plays. The well-balanced essays are not afraid to disagree with each other and repeatedly point us towards exciting new questions about a play which is all too often castrated by being labelled a "classic". It will be of value to scholars, teachers and students alike. Future study of Volpone starts here.' (Richard Dutton, Humanities Distinguished Professor and Chair, Department of English, Ohio State University, USA)'Volpone: A Critical Guide offers the most wide-ranging and thought-provoking overview of Jonson's comedy ever assembled.
