Donald A. D'Amato : Warwick (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warwick (Images of America):

Incorporated in 1931, the city of Warwick has nevertheless supported and influenced the economy and culture of Rhode Island in many important ways for far longer. Home to prosperous and dynamic mills since the nineteenth century, Warwick provided employment to locals and attracted a diverse community of newcomers. Developments in transportation led to the rise of seaside recreation at Oakland Beach and Rocky Point, creating memories cherished even today.
