RodriguesGot this as a gift for my husband for his birthday. He loves this topic.7 of 7 people found the following review helpful. Interesting.By andriellaI purchased this mostly for the interviews with Kathleen Hanna and Sleater-Kinney, but I ended up really enjoying the entire book. The interviews are always insightful and interesting, and a wide variety are included...Noam Chomsky was one that I wasn't expecting to find.There are thirty interviews in all, so this is definitely good value for the price.

Updated with six more interviews and a new introduction, the expanded edition of *We Owe You Nothing* brings the definitive book of conversations with the underground's greatest minds up to 2007. New interviews include talks with bands like The Gossip and Maritime, a conversation with punk legend Bob Mould, and more . . . in addition to the classic interviews from the original 2001 edition: Ian MacKaye, Jello Biafra, Thurston Moore, Noam Chomsky, Kathleen Hanna, Black Flag, Sleater-Kinney, Steve Albini, Frank Kozik, Art Chantry, and others. Daniel Sinker has been the editor and publisher of Punk Planet magazine for twelve years.
