A MUST have Book with precise information if you want to raise the bar in your own photography By David Medina In order to really succeed in today wedding photography industry we need to consistently produce exciting and exceptional images for each one of our clients. This is one book that will help you do just that. Bob and Dawn will sit next to you and guide you to what you need to raise the bar on your own photography. The book is excellent. The printing is beautiful with gorgeous images. No fluff at all, just great context. No wasted page on introductions, just great detailed and well explained content. You can tell this is a book totally

focus on sharing knowledge and equipping us with great technique. Although at first glance it may seem like it is, this is NOT a formula or recipe book. It is a well thought out, carefully done, explanation of how we can create great images for our client. The book is a great read. In a very clear, personal and honest approach, Bob Davis and Dawn Davis share some of their great images with us. It's like sitting next to them while they critique each image for us. They take each image apart and explain the concept, thought and creative process and technical decisions that went behind each shot to create the stunning image. The gorgeous images and content inspire and challenge you to take your own photography to the next level and Bob and Dawn lead the way by example. This is a MUST have book for every photographer's library. 0 of 0 people found the following review helpful. The printing and image quality of the book is great -- I love the full spread images. By Jackaroo Very refreshing to see when a renowned photographer opens the kimono and shares the technique and philosophy behind their images. This book is very successful because Bob is transparent with his lighting techniques, exposure info, and approach to crafting professional images. A quality of a true professional is consistency, and they really hit the mark. Additionally, the printing and image quality of the book is great -- I love the full spread images, with supplemental tips and bullet points. It's no wonder why Bob and Dawn can command high prices and are very successful as educators. Thanks for this book. 1 of 1 people found the following review helpful. Beautiful Images By Barbara W. Beautiful images - lots of ideas for engagement sessions - some very usable, others over the top.

Today's brides- and grooms-to-be have grown up inundated by world-class photography on the Internet, television, magazines, and social networking sites. Therefore, it's no surprise that these savvy, image-conscious consumers have high expectations when commissioning their engagement portraits. They want unique, innovative images that make them look great and reflect their personal style as individuals and as a couple. In this book, acclaimed photographers Bob and Dawn Davis show you how to rise to that lofty goal and deliver memorable, personalized images from each session. Covering the process from start to finish, you'll learn how to select locations, work with clients on their styling, get great poses even from camera-shy subjects, and find (or create) amazing lighting indoors and out—all day long. Lighting diagrams paired with each final image selection, along with supporting image variations from the same session, make it easy to learn!

Celebrity photojournalist, Bob Davis has over 25+ years of experience as a professional photographer. Capturing Michael Jordan's career with the Chicago Bulls, covering national presidential elections, shooting Eva Longoria and Tony Parker's wedding in Paris, it's all just another (spectacular) day for Bob. With a career that spans over 25 years, Bob's subjects may shift from time to time, but his passion for photography is unwavering. As a Canon Explorer of Light, Bob has been chosen as one of an elite group of 60 photographers representing Canon and united by a passion for photographic excellence. Bob spent 14 years contributing his award-winning photography to the Chicago Sun-Times before he began building his private photography empire. Bob's work has been featured in publications such as O Magazine, Time, People, OK, Rangefinder, and a variety of other digital photography resources. His clients include Oprah Winfrey, Eva Longoria Parker, Salma Hayek, Eddie Murphy, Lala Vazquez, and many more. He also works with celebrity event planners, Mindy Weiss and Colin Cowie.
