Jason Hanley : We Rock! (Music Lab) (Hands-On Family) before purchasing it in order to gage whether or not it would be worth my time, and all praised We Rock! (Music Lab) (Hands-On Family):

5 of 5 people found the following review helpful. 'We Rock!' by Jason Hanley is required reading for children, students , families and rock music lovers of all ages!By Norman L Prusslin'Ve Rock!' by Jason Hanley is required reading for music lovers of all ages! Written by the Director of Education at Cleveland's Rock and Roll Hall of Fame and Museum, the book is perfect for parents and teachers who want to explore the history of rock music with their children and students (of all ages). Hanley weaves the history together in a well structured sequential chapter style that is part history lesson, workbook, lab and always a fun and entertaining read. The author takes special effort to tie the musical evolution and development of a certain period with its connection to the broader societal and cultural context...excellent work throughout. I highly recommend this book to be added to your family and school libraries!0 of 0 people found the following review helpful. So happy I purchased this book!By BKR2012Fantastic book for adults and kids! Love this guide to help me appreciate music and how to share it with my children. Can't recommend this book enough. It's fun and informative!0 of 0 people found the following review helpful. Unique. Well writtenBy H. BogartWell written. Easy to read. Fun book with interesting information. Unique concept
