Katie Preston Toepfer, Sam Stall : Wedding Dogs: A Celebration of Holy Muttrimony before purchasing it in order to gage whether or not it would be worth my time, and all praised Wedding Dogs: A Celebration of Holy Muttrimony:

0 of 0 people found the following review helpful. Humoous and TouchingBy P. E. HooverI admit I didn't know dogs were becoming "standard" members of the wedding party! :) This book provided first hand accounts of how poochies did with "mom" and/or "dad" getting married. These accounts told of the humorous side, and the touching side, but more important it showed how the four legged member of the family can be included in the wedding of his./her owners. Garment ideas via good pictures, and wise advice from those who have dared to walk down the aisle to say "I do" with their dog or dogs right with them. A delightful book with good text and equally good photos.0 of 0 people found the following review helpful. Wonderful bookBy G. BeaversonThe stories and photos are lovely. But the thing that touched me the most about this collection is how most of the stories talked about how much laughter the dogs brought to these special days. The dogs were just being dogs - happy, joyful, loveable, mischevious dogs - and that made them perfect to be included in the celebrations. This book is a must for anyone loved by and loving a dog.0 of 0 people found the following review helpful. "Read" again and again!By AndreeThis book is such fun. I haven't read every story but I have looked at all the pictures numerous times and never tire of them. The photography is wonderful and the dogs are perfect additions to wedding photos. If you love dogs and enjoy wedding photos, this book is a must. It never gets old.

Wedding Dogs captures manrsquo;s best friend at 75 weddingsmdash;dogs as the best man, maid of honor, ring bearer, or another member of the wedding party! Decked out in little doggy tuxedos or sporting a wreath of roses around their necks, these pooches share in the wedding couplersquo;s big day. Each photograph is accompanied by a brief essay telling the dogsquo;s (and the couplersquo;s) story. A perfect wedding, bridal shower, or groomrsquo;s gift, Wedding Dogs shares the joy of the moment when dogs join in the celebration of their ownersrsquo;s most special

day.

“Featuring dozens of photos depicting newlyweds and their favorite canine companions, this delightful book is a joy to have and to hold.”—Dish Magazine
“...a compilation of THE cutest doggie moments snapped at weddings...”—Cosmopolitan.com
“...will speak to anyone who has ever known the joy of raising a beloved pet.”—Inside Weddings
“Because, let’s be honest, your dog might actually love you more than your toddler nephew does: Shouldn’t Fido be the one in the wedding? Check out amazing photos of canine parties in...”—Wedding Dogs: A Celebration of Holy

Mutrimony.
