**Claudia Barnett : Wendy Wasserstein: A Casebook (Casebooks on Modern Dramatists)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wendy Wasserstein: A Casebook (Casebooks on Modern Dramatists):

Wendy Wasserstein: A Casebook contains in-depth discussions of the playwright's major works, including her recent

play 1 *An American Daughter*. Wasserstein's plays and essays are explored within diverse traditions, including Jewish storytelling, women's writing, and classical comedy. Critical perspectives include feminist, Bakhtinian, and actor/director. Comparisons with other playwrights, such as Rachel Crothers, Caryl Churchill, and Anton Chekhov, provide context and understanding. An interview with the playwright and an annotated bibliography are included.
