Cindy Berry : What Can I Play for Christmas?: 10 Easily Prepared Late Intermediate Piano Arrangements (Sacred Performer Collections) before purchasing it in order to gauge whether or not it would be worth my time, and all praised What Can I Play for Christmas?: 10 Easily Prepared Late Intermediate Piano Arrangements (Sacred Performer Collections):

3 of 3 people found the following review helpful. Cindy Berry, piano arranger extraordinaire By melkents I know this review is late appearing on ...but it is a busy, or hectic time of the year! My wife, bless her heart is the main musician in the extended family I happen to have married into. Just about everyone plays something or another. Out of 2 brothers and 2 sisters, only one is not a pianist. [The brothers are "technicians", the sisters just play.] Therefore we are all a bunch of Musos. Due to the accumulated years of serving music, I would recommend ANY of Cindy Berry's arrangements.

The 'What can I play on Sunday' series, or the spinoffs from that series; All available on . [Six books spanning a year...one book per two months.] I don't think I have ever rated 5 stars before...but these arrangements are rather special. I hope this review will help all Musos out there in this world. Go Buy...terrific stuff!! 1 of 1 people found the following review helpful. Another WONDERFUL Cindy Berry collection By keikismom I think I have almost all of the arrangements that Cindy Berry has published in this piano collection. I can't decide between her two books of Christmas arrangements which one I like best, so I am glad I bought them both! Very playable and different from other arrangements you may have played. Very classy and difficult sounding, but not too hard to play. If you are an accomplished pianist, they are almost sight readable - I needed to just practice a few measures in each piece before I could perform them. 0 of 0 people found the following review helpful. beautiful arrangements for developing pianist with intermediate to late intermediate ... By Grammie of 6 Same review as for Book 2 - original, beautiful arrangements for developing pianist with intermediate to late intermediate ability. I will continue to use this book in years to come (I'm a teacher. . .)

With an array of tasteful arrangements, renowned choral composer Cindy Berry has put together a very practical collection for the busy church pianist who has limited rehearsal time. Each arrangement includes an approximate performance time to assist in planning. Titles: * Angels from the Realms of Glory* Child in the Manger* The First Noel* God Rest Ye Merry, Gentlemen* The Holly and the Ivy* I Saw Three Ships* Let All Mortal Flesh Keep Silence* O Holy Night* Once in Royal David's City* Rise Up, Shepherd, and Follow
