Patrick Hook : What to do with your Digital Photos (Collins Need to Know?) before purchasing it in order to gauge whether or not it would be worth my time, and all praised What to do with your Digital Photos (Collins Need to Know?):

This one-stop practical guide will show you how to make the most of your digital photos. To make your progress easier, it comes in a handy format with colour photos and expert advice throughout. Over three billion digital photos are sitting on hard discs in the UK alone; yet the potential they contain remains largely unfulfilled, and many are in danger of being lost forever if a computer crashes. This is the next step for digital photographers: they have bought a

camera; they have taken some photos; now they want to do something with them. This book is full of practical and creative ideas that will appeal to the beginner and the experienced photographer alike. So whether you want to remove an exndash;partner from your photos, use your images to make brilliant gifts, create a stunning digital scrapbook or DVD slideshow, or sell your images to make money, this book has all the ideas, tips and answers you will need.
