Find your inner Grace: A modern day guide to the classic beauty and timeless style of the Hollywood starlet and real-life Princess, Grace Kelly Grace Kelly set a standard for elegance that continues to inspire women today; particularly in our Mad Men-crazed era. More than merely blessed with camera-wooing beauty, Princess Grace was also a canny decision maker who selected roles that quickly made her one of cinema's most adored and unforgettable leading ladies. She also captured hearts on- and off-camera, including many belonging to her handsome co-stars. Though her reign as Princess of Hollywood yielded all-too-soon to her real-life role as Princess of Monaco, Grace Kelly remains the timeless embodiment of refined glamour, style, and poise. Now, Gina McKinnon makes Grace Kelly's indelible style secrets available to everyone. In *What Would Grace Do?*, readers will find invaluable lessons in charm and loveliness; from handling careers and cashmere to manners and men. In the style of *What Would Jackie Do?* and *What Would Audrey Do?* comes a beautifully designed book filled with lovely two-color illustrations. *What Would Grace Do?* inspires women everywhere to reach for those moments of strife when we could all use a little Grace.
