I found it witty, insightful and timely given the mass onslaught of reality shows highlighting women who've gained fame by simply being a baby's mother or by fighting

another female. This book gives step by step advice to women of all ages on how to live a life that they can feel good about for the rest of the lives. A woman's life should not be led by desire for fame, money and or manipulation of men just to get financially ahead. This book details how Michelle Obama became the woman she wanted to be before meeting the love of her life and how that has aided her in every situation she's faced through-out her life. I was uplifted and encouraged by this book and would highly recommend it to anyone. CW0 of 1 people found the following review helpful. Excellent!!!By CustomerFirst Lady Michelle Obama gave very much insight into how she carries herself with class and dignity. I recommend every female, young or old, single or married to read this book!1 of 4 people found the following review helpful. LOVE THIS BOOK!!By crmurLove this book!! Bought more for high school and college graduation gifts. Excellent advise for young women making their way in todays society - what better role model than the first lady and what an example of a lady she is!!

Inspiring insights, advice, and style for every woman who admires the popular and poised First Lady Michelle Obama. Embodying style, class, and intelligence, Michelle Obama has quickly become an American icon. Rising from modest beginnings, she went on to earn an Ivy League education, a position at a top law firm, and a pivotal role beside President Barack Obama. Yet Michelle still faces the same issues as most women today. As they watch her juggle kids, marriage, and a seemingly nonstop calendar without breaking a sweat, American women are asking, What Would Michelle Do? Award-winning Newsweek journalist Allison Samuels, who has interviewed the First Lady numerous times, follows the trajectory of Michelle's life to illustrate the determination, intellect, and charm that drove her success-and reveals how women can incorporate those same attributes to get everything Michelle has, from her toned arms to her grace under pressure to her happy marriage. With the 2012 elections looming, Michelle continues to be in the public's eye. Covering a range of lifestyle topics-from creating a distinctive style to conquering obstacles to managing a household-What Would Michelle Do? combines solid advice with a fun package that will appeal to style mavens, soccer moms, and career women alike.
