**Jerry Moriarty : Whatsa Paintoonist?** before purchasing it in order to gage whether or not it would be worth my time, and all praised Whatsa Paintoonist?:

At the age of 76, the painter/cartoonist Jerry Moriarty moved from his studio loft in Manhattan, where he lived and worked for 49 years, to his childhood home in Binghamton, New York, where he lived from the age of six until he went to Pratt Institute at 18. The artist uses this as an opportunity to interrogate his past via the act of painting as a mnemonic.
