Instead,I found myself having more fun finding all the other hidden celebs along the way! Every time I looked at a page and thought I spotted it all, I would find something hilarious, like Dolce and Gabana flipping pizzas lol! I can't wait to order more copies as x-mas gifts for all my friends!2 of 2 people found the following review helpful. lots of funBy Angela MThis is a very fun, tongue-in-cheek book. My husband and I have a silly fascination with Karl Lagerfeld, so this was very amusing to us. I bought it for laughs and it was pretty great. Not to be taken seriously, of course. Tons of "cameos" in here from celebrities and fashion world people...it's a hoot. Published in 2015 and will probably seem quite dated in just a year or two, but we enjoyed it. The illustrations absolutely "make" this book!!7 of 8 people found the following review helpful. Still Looking for Karl Lagerfeld (LOL)By A. ButterflyThis is more than a coffee table book, it is a book of mini adventure as you try to find the elusive Kaiser amongst the sea of celebrities. As your eyes roam across the pages, you can be

easily sidetracked by the other famous faces in this book. Once you start your search, it may be hard to put this book down. The writing is also worth the read. You will not be bored with this one!

KARL LAGERFELD: ICONIC FASHION LEGEND Always on the go, Karl Lagerfeld is everywhere and nowhere all at once. Now, fictional fashion blogger Florence de la Sabine (you can call her Fleur) must find him-- surely an interview with him will set her website apart from the rest. But where will he turn up? Roll up your Alexander McQueen skull sleeves and bust out your vintage Chanel monocle as you follow Fleur all around the world's hottest fashion scenes searching for Monsieur Lagerfeld. Is he at The Met Gala in New York City? Strolling Coqui Coqui Beach in Tulum? On the slopes in St. Moritz? Directing a photo shoot in Dubai? In these stunning, full-color illustrations, you'll spot all of the industry's finest glitterati along the way, turning this book into a full-on game of who's who from Anna Wintour to Beyonce to Woody Allen to Kim Kardashian to Suri Cruise to Prince William, and many, many more.
