Witi Ihimaera : White Lies before purchasing it in order to gauge whether or not it would be worth my time, and all praised White Lies:

0 of 0 people found the following review helpful. Wanted more..By D. numangaThe story was good - just it ended way too soon. I wish I had looked at it more at the NZ Airport - I would have seen that majority of the book was the screenplay. I will go out to see the movie once it gets on the big screen.0 of 0 people found the following review helpful. DisappointingBy MarilynOnly got into the story and ended. Rest of book filled with other material and thoughts of the author, and quotes etc.0 of 0 people found the following review helpful. white liesBy Corinna

JohnsonThe story line was good but I thought I was getting a good novel but it was a short story written in three different ways. Very basic reading

A powerful, prize-winning novella from the much-loved author of *The Whale Rider*, plus a moving screenplay, film stills and commentary on writing and movie making. A medicine woman - a giver of life - is asked to hide a secret that may protect a position in society, but could have fatal consequences. When she is approached by the servant of a wealthy woman, three very different women become players in a head-on clash of beliefs, deception and ultimate salvation. This compelling story tackles moral dilemmas, exploring the nature of identity, societal attitudes to the roles of women and the tension between Western and traditional Maori medicine. This book, though, is also about the richness of creativity, illustrating the way a single story can take on different lives. The original novella, *Medicine Woman*, has been rewritten and expanded by Witi Ihimaera to become *White Lies*. It has also evolved into a screenplay by internationally acclaimed director and screenwriter Dana Rotberg, which has been made into a superb film by South Pacific Pictures. Thus this book offers an intriguing insight into the process of adapting work, as well as offering new versions of this potent story. Nga Kupu Ora - Aotearoa Maori Book Awards 2013, winner of the Te Pakimaero / Fiction category
