Diane Ratican : Why LA? Pourquoi Paris? before purchasing it in order to gage whether or not it would be worth my time, and all praised Why LA? Pourquoi Paris?:

From magnificent landmarks to entertainment, fashion and food, Los Angeles and Paris have so much in common. Now for the first time, author Diane Ratican pairs these two incredible cities side by side in her stunning one-of-a-kind collectible art book, Why LA? Pourquoi Paris? This very stylized book and accompanying chic art by famed artists Eric Giriat (Paris) and Nick Lu (Los Angeles) vividly capture the fascinating similarities and contrasts between these contemporary metropolises. The author's compelling narratives introduce each of the books seven sections providing insightful context for the utterly charming visual pairs that follow. This visual publication is also an informative insider's guide for visitors to Los Angeles and/or Paris with the added benefit of historic information, and "best addresses" to Ratican's favorite locals. For anyone who wants a delightful and informative tour of Los Angeles or Paris

this book is a tourist's gold mine as each local is imprinted with exact latitude and longitude numbers for quick and easy locating via smart phone GPS.
