A very small percentage of people will get to personally experience all the wonderful places this world has to offer. This book is the next best thing. Kudos to the photographers, writers and the editor, Olivia Garnett for putting it together in this awesome book. If you are looking for gift ideas for Christmas, Wild, Beautiful Places should be at the top of the list.0 of 0 people found the following review helpful. gorgeous and unusualBy S. J. The Perfect Book For Your Water ClosetBy Sharon AydIts a beautiful book and I put it in my water closet for easy reading

Experience the world's most wild, remote, beautiful places with shots by National Geographic photographers and

vintage photos pulled from the National Geographic archives. Highlighting 50 of Earth's most pristine, scenic locales, this beautiful book is illustrated with stunning images, coupled with accessible, engaging descriptions and practical travel information. The book covers everything from otherworldly, secluded valleys to far-flung, soaring mountain ranges. National Geographic photographers share some of their favorite shots from around the world and explain how they got them, and historical photos culled from National Geographic's hallowed image archive highlight old Society explorations in rugged, distant locations, and give a glimpse into the bygone days of these exotic places. From the Hardcover edition.
