**Bruce W. Ferguson, Peggy Gale, Jeffrey Spalding, David Urban : Will Gorlitz: nowhere if not here** before purchasing it in order to gage whether or not it would be worth my time, and all praised Will Gorlitz: nowhere if not here:

Will Gorlitz: nowhere if not here examines the art, background, and theoretical concerns of contemporary Canadian artist Will Gorlitz. Appreciated especially for his painting and drawing, Gorlitz produces imaginative and highly visual artwork that is further distinguished by its fundamentally restructured and critically extended approach to representational painting. With differing emphases from several contributing writers, this book identifies the contexts, methodologies, and motivations that comprise the artists' practice over the past 25 years. The book is published in conjunction with a major circulating survey exhibition of Gorlitz's work organized by Allan MacKay for the Kitchener-Waterloo Art Gallery in partnership with the Macdonald Stewart Art Centre. Co-published with the Kitchener-Waterloo Art Gallery
