Rae Dunn : Wilma's World: Good Advice from a Good Dog before purchasing it in order to gage whether or not it would be worth my time, and all praised Wilma's World: Good Advice from a Good Dog:

2 of 2 people found the following review helpful. We love Wilma!By C and ZThis book is awesome! We love Wilma and thoroughly enjoyed her inspiration and the adorable photographs throughout the book. It is full of great advice and simply stated. I am a huge dog lover and I was excited to add this to my collection of dog books. I also love the ceramics that Rae Dunn creates. So being a big fan of hers, I was thrilled when she released this book.And my dog Cooper enjoyed this book as well :)1 of 1 people found the following review helpful. This is the best, best book for sweetBy My reviews:)This is the best, best book for sweet, daily life advice and great dog pictures. I've given Wilma's World as a gift at least four times now. And it's so all-age friendly. One gift was to a nine year old whose old dog had just died (she loved this book:). Another gift was to our neighbors who just got their first dog and fell head over heels in love. THEY love this book. Thank you Rae Dun and Wilma!2 of 2 people found the following review helpful. A very good dog indeed.By BJ SmithBeautifully done. Wilma is a wonder dog. So photogenic. If this book doesn't make

you smile a lot, there is something wrong with you! Adorable in every way.

Welcome to Wilma's World, where life is full of joy and adventure lies around every corner. This charming book of photographs celebrates the wise insights of a special dog whose musings remind us to slow down and see the beauty in simple things. Wilma's handmade style and playful personality will inspire adventurous spirits everywhere.

"The book, which was initially intended for children, became a book for adults after the folks at Chronicle books suggested...But really, the book is for both, because even though children do live more zen-like lives (like dogs), sometimes they need to notice (or be aware of) these lessons, or when teenagers, reminded. And young or old, why should anyone miss out on being reminded of such sage advice now and again, especially from such an adorable dog?" -PoppytalkAbout the AuthorWilma is a Jack Russell Terrier who enjoys sleeping 'til noon and running in figure-eight patterns.Rae Dunn is a ceramicist whose line of wares is sold worldwide. Rae and Wilma share a studio in Berkeley, California.
