Michael G. Dell'Orto, Priscilla A. Weston, Jessie Salisbury : Wilton, Temple, and Lyndeborough (Images of America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wilton, Temple, and Lyndeborough (Images of America):

Wilton, Temple, and Lyndeborough brings to life the rich shared history of three towns on the eastern edge of the Monadnock region. In more than two hundred photographs from the period 1860 to 1960, this book captures the proud heritage of farm and family life, glass factories, woodenware and textile mills, and the captivating scenic beauty that drew many notable artists such as Chauncey Ryder, Roy Brown, Ross Turner, and Stanley Hallett.
