**Hina Hirayama : With Eacute;clat: The Boston Athenaelig;um and the Origin of the Museum of Fine Arts, Boston** before purchasing it in order to gage whether or not it would be worth my time, and all praised With Eacute;clat: The Boston Athenaelig;um and the Origin of the Museum of Fine Arts, Boston:

0 of 0 people found the following review helpful. Wonderful history lessonBy Dutch GirlAs a long-time member of the Museum of Fine Arts (MFA) Boston, I have longed for a book about its early beginnings and history. This book is perfect in fulfilling that desire. I also liked that it allowed me to gain a deeper understanding of the Boston Athenaeum, its beginnings, and its role in the cultural life of Boston's citizens. In fact, it begat a first-class museum that enhances the lives of people in the U.S. and the world. The author has a wonderful style, somewhat anecdotal, which is exactly what I enjoy since it keeps the book from being too dry. My greatest accolade is that the book left me wanting more.

Wouldn't I love for this author to continue the story with a book taking up where this one left off, telling the tale of the subsequent years of gathering the collections at the MFA. 0 of 0 people found the following review helpful.  
fascinating history  
By finncora  
It is a great look into how a valuable institution began and the men and women who made it happen. Anyone interested in how things happen will enjoy this look inside and behind the scenes.

A detailed history of the Boston Athenaeum's historic role in the founding of the Museum of Fine Arts, Boston

"Hina Hirayama has undertaken thorough research into this institutional partnership, and narrates its story in fascinating detail." —Apollo
